

Hi.

You can do whatever you want with this freebie – modify it, share it, include in your commercial product, but you can't sell it as is.

The only request is to mention [www.stickers.pub](http://www.stickers.pub) and [www.themesdojo.com](http://www.themesdojo.com) in a Credits section.

Enjoy and follow us on [www.dribbble.com/themesdojo](http://www.dribbble.com/themesdojo) for new updates ;)
